Anna I promise You
That I'll be soon so close to You
Like you want me to
Like I want it to

Anna I think I'm in love with you
Ever since got my eyes on you
For the first time
Yeah for the first time

Anna I'd pick up a star for you
If you'd love me too
If you'd love me too
Anna I'd fly you to the sun
over the seventh sky
If you'd love me too

Anna I don't know what to do
You've got me drowned so deep into
Into you so deep into you

Anna I'd pick up a star for you
If you'd love me too
If you'd love me too
Anna I'd fly you to the sun
Till the end of the rainbow

Let my love
Light your life
Embrace your heart
Let my love
Melt in to your soul
Into your soul
