Hora
Hora
Hora -
Through the years I believe in the mystery
Of a dance that will always survive -
It's history
It's like a part of me

Feel how it brings us alive.
All the people around me must feel the same
When they hear how the music is sweet.
So many days
and yet it never fades -
See how it's moving your feet.

And do the Hora
it helps every way

It makes every day
we dance and we say -
It's just the Hora
it's taking away
The sadness each day and bringing just love.
And I know if you care in the greatest gifts
We can start by just doing this dance

And all our pain
will melt before the dawn -
Let's give the future a chance.
And do the Hora
it helps every way

...

Hora
it helps every way

...

Hora!
Through the years I believe in the mystery . . .
And do the Hora
it helps every way

...

Hora !
