one plus one equals two (hmm)
two plus two equals four (are you sure?)
four plus four equals eight (you got it!)
double eight

let's do the eight-eight (eight-eight)
eight-eight (eight-eight)
eight-eight (eight-eight)
eight-eight (eight-eight) now
lets eight-eight (eight-eight)
eight-eight (eight-eight)
lets eight-eight (eight-eight) more

let's do the eight-eight (eight-eight)
eight-eight (eight-eight)
eight-eight (eight-eight)
eight-eight (eight-eight) now
lets eight-eight (eight-eight)
eight-eight (eight-eight)
lets eight-eight (eight-eight) more

aw!

(bayani talking)
o, all you jokers, stop your non-sense, let's eight-eight
do you have that?
we're the originals there!
ha ha ha! ha ha ha!
joke joke joke!

it's not just to make your bones healthy
it's to lengthen our lives
teeth or none, all join in, aha hay (aha hay)

one plus one, Magellan (what?)
two plus two, Lapu-lapu (ha?)
four plus four equals eight (yehey! ha ha ha!)
double eight

let's do the eight-eight (eight-eight)
eight-eight (eight-eight)

eight-eight (eight-eight)
eight-eight (eight-eight) now
lets eight-eight (eight-eight)
eight-eight (eight-eight)

Slower! (slower!)

let's do the eight-eight (eight-eight)
eight-eight (eight-eight)
eight-eight (eight-eight)
eight-eight (eight-eight) now
lets eight-eight (eight-eight)
eight-eight (eight-eight)
lets eight-eight (eight-eight) more

eight-eight faster (stop me!)

let's do the eight-eight (eight-eight)
eight-eight (eight-eight)
eight-eight (eight-eight)
eight-eight (eight-eight) now
lets eight-eight (eight-eight)
eight-eight (eight-eight)
lets eight-eight (eight-eight) more

let's do the eight-eight (eight-eight)
eight-eight (eight-eight)
eight-eight (eight-eight)
eight-eight (eight-eight) now
lets eight-eight (eight-eight)
eight-eight (eight-eight)
lets eight-eight (eight-eight) more

o, are you ok now? (let's eight-eight some more)
eight o'clock (eight-eight now)
it's just straight forward (eight-eight now)
ok, yeah (eight-eight more)
