Soave Sia Il Vento  
from Cos? fan tutte by Wolfgang Amadeus Mozart

Nick, Jo, and Tsakane sing this famous and wonderfully evocative trio, where two sisters pray for calm seas and gentle breezes as their lovers sail away to war. The moment is so poignant that they are joined by an old cynic who has predicted that time apart from their loved ones will be a true test of their fidelity.

Soave sia il vento  
Tranquilla sia l'onda  
Ed ogni elemento  
Benigno risponda  
Ai nostri desir
