"Breathe on me"

Visit "[Breathe on me](#)" on MotoLyrics.com

breathe on me breath of God
bring my life close to your spirit
beat in me heart of God
my soul's in prayer to be near it
focus my eyes
to only see what's you
and breathe on me
breathe on me breath of God
breathe on my breathe of God
I am a vessel to be filled
comfort me peace of God
Lord, I am restless for your will
silence my fears
so that I may hear from you
and breathe on me
breathe on me breath of God

surround me in your glory
make your presence known
set the path of grace before me
let your breath become my own

breathe on breath of God
cover my sin with your mercy
speak to me word of God
give me a light for my journey
show me your way
and draw me close to you
and breathe on me
breathe on me
breathe on me breath of God
