There've been times in my life, you've opened doors
they weren't what i was hoping for so I walked right by them.
I didn't even try them - there've been dreams I fergot - and dreams I let die - unnoticed sunsets in
front of my eyes - I just couldn't see them - I thought I didn't need them - sure, there are things i'd do
different and yet - grace gives me days where I simply forget

chorus :

'cause you set me free to run - throught fields of laughter and to sing as though - I have no
yesterdays you set me free from my - before and afters - from a debt I know I'll never pay - when
you set me free.

there've been chances to love that I've ignored - and mercies I found I couldn't afford - I'm sure I
would have shown them - if I would have known then - how we all play a part in each others'lives
and there's more to the game - than winning the prize - so much I want to try I'd do diffrent and yet -
grace give me days where I simply forget.

Chorus :

father you, father me - ever so patiently - you give me wings to fly - when you set me free.
To fly, to soar, to places I've not been before - the boundaries of humanity - cannot contain what you
set free

You give mewings to fly
