Just for a little bit I wait
For a little bit of time
And whatever's on my mind
I will find

For a moment, I was sick
Just a moment in time
Get in touch with myself
As I sigh

What went wrong?
Is just a song
But I feel like
I've loss my senses

All night long
I will long
For the right words
To say

What's the right words?
What's the right words?
That will slip away
What's the right words?
What's the right words?

Once in a lifetime
Will slip away
Once in a lifetime
Will slip away

What's the right words?
What's the right words?
That will slip away
What's the right words?
What's the right words?

Once in a lifetime
Will slip away
Once in a lifetime
Will slip away
