you held my hand and walked me home, i know

why you gave me that kiss

it was something like this and made me go oh oh

you wiped my tears , got rid of all my fears

why did you have to go?

guess it wasnt enough to take up some of my love

guys are so hard to trust

did i not tell you that i'm not like that girl

the one who gives it all away - yeah

chorus:

did you think that i was going to give it up to you-

this time

did you think that it was something i was going to do-

and cry

don't try to tell me what to do

don't try to tell me what to say

your better off that way

dont think that your charm

and the fact that your arm is now around mt neck

will you get you in my pants

i'll have to kick your a** and make you never forget

i'm gonna ask you to stop
i thought i liked you a lot but i'm really upset
so get out of my head , get off of my bed
yeah that's what i said
this guilt trip that you put me on won't
mess me up i've done no wrong
any thoughts of you and me have gone away
i'm better off alone anyway
