Intro)

Nobody told me there'd be days like these

What we've been going thru

You've got the rhythm I've got the rhyme

But it ain't getting new

Put up my lifestyle

Take down my safeguards

And dedicate some time

Till you start acting just like

Every other friend that I've left behind

Pretty little Mary, took it all away (x4)

Pretty little Mary showed me the sunshine

And poured out the wine

Then she led me into the moonlight

And stabbed me with her knife

Mary Mary quite contrary

How does your garden grow

With bleeders breeders and your soul

feeders all in a row

Pretty little Mary, took it all away (x4)

(Repeat Intro)

You scream and fight and say there ain't nothing

That'll bring you back to me

You leave me feeling like you're getting off

On holding what I need

Pretty little Mary took it all away (x4)

Took it all away (x5)
