Verse 1:

I should believe in what they say,
you're playing games every day.
You're not serious at all girl, oh no no no.
All I need is one more break,
your pretty face is just a fake.
You are telling me one lie after another.

Bridge:

Now I know that your love is like a nightmare,
you can do what you want because I don't care.

Chorus:

1,2,3 you're fooling me.
4,5,6 don't like your tricks.
7,8,9 you're not mine.
10,11 I'll be gone.
You want a man I'll never be.
1,2,3,4 we will see.
Why don't you just let it be? Set me free
1,2,3 you're fooling me.

Verse 2:

Too many broken promises,
I don't like the way it is.
Time has come to leave you girl, oh no no no.
Life is better without you,
I don't regret it 'cause it's true.
I'm gonna find me another pretty lover.
Bridge:...

Chorus:....

Interlude:

Another day full of sunshine,
another girl wants to be mine,
another love will be so fine,
look at me.

Chorus:...
