[Applause.]

[ANNOUNCER:] Welcome back to Saturday Night Live!  
And now, as a special treat on our first show,  
musical guest Andy Kaufman!

[Applause. A record begins to play.]

Mister Trouble never hangs around  
When he hears this Mighty sound:

"Here I come to save the day!"

That means that Mighty Mouse is on the way!

Yes sir, when there is a wrong to right  
Mighty Mouse will join the fight  
On the sea or on the land  
He gets the situation well in hand

So though we are in danger  
We never despair  
'Cause we know that where there's danger  
He is there!  
He is there! On the land! On the sea! In the air!

We're not worryin' at all  
We're just listenin' for his call:

"Here I come to save the day!"

That means that Mighty Mouse is on the way!

[GEORGE:] You know, you show a lot of promise, and,  
um,  
my concern is that I don't know where to  
book you. Uh, you're not a stand-up, and, uh,  
your act doesn't exactly translate itself  
to films, so ... so help me! Where do you  
see yourself?

[ANDY:] Well, I've always wanted to play Carnegie Hall.

[GEORGE:] Ha! Hee! You're insane!  
But you might also be brilliant.
