I saw the news today oh boy About a lucky man who made the grave And though the news was rather sad Well I just had to laugh I saw the photograph

He blew his mind out in a car He didn't notice that the lights had changed A crowd of people stood and stared They'd seen his face before Nobody was really sure if he was from the House of Lords.

I saw a film today oh boy The English Army had just won the war A crowd of people turned away But I just had to look Having read the book, I'd love to turn you on...

Woke up, fell out of bed, Dragged a comb across my head Found my way downstairs and drank a cup, And looking up I noticed I was late.

Found my coat and grabbed my hat Made the bus in seconds flat Found my way upstairs and had a smoke, and Somebody spoke and I went into a dream

I read the news today oh boy Four thousand holes in Blackburn, Lancashire And though the holes were rather small They had to count them all Now they know how many holes it takes to fill the Albert Hall.

I'd love to turn you on.
