You make me dizzy Miss Lizzy  
The way you rock and roll  
You make me dizzy Miss Lizzy  
When we do the stroll  
Come on Miss Lizzy  
Love me 'fore I grow too old

Come on, give me fever  
put your little hand in mine  
You make me dizzy dizzy Lizzy  
oh, girl you look so fine  
Just a rocking and a rolling  
Girl I said I wish you were mine, ah

Ooh, ah  
You make me dizzy Miss Lizzy  
When you call my name  
Ooo, baby  
Say you're driving me insane  
Come on, come on, come on, come on baby  
I want to be your loving man, Ah

Run and tell your mama  
I want you be my bride  
Run and tell your brother  
Baby don't run and hide  
You make me dizzy Miss Lizzy  
Girl I want to marry you

Come on, give me fever  
put your little hand in mine, girl  
You make me dizzy dizzy Lizzy  
Girl you look so fine  
You're just a rocking and a rolling  
Ooo I said I wish you were mine, ah
