Come on, come on
Come on, come on

Come on is such a joy
Come on is such a joy
Come on is take it easy
Come on is take it easy
Take it easy, take it easy
Everybody's got something to hide except for me and
my monkey

The deeper you go the higher you fly
The higher you fly the deeper you go
So come on, come on

Come on is such a joy
Come on is such a joy
Come on is make it easy
Come on is take it easy
Take it easy, take it easy
Everybody's got something to hide except for me and
my monkey

Your inside is out when your outside is in
Your outside is in when your inside is out
So come on, come on

Come on is such a joy
Come on is such a joy
Come on is make it easy
Come on is make it easy
Make it easy, take it easy
Everybody's got something to hide except for me and
my monkey, hey

Come on, come on, come on, come on...
