Good morning, good morning

Good morning, good morning

Good morning ah

Nothing to do to save his life call his wife in

Nothing to say but what a day how's your boy been

Nothing to do it's up to you

I've got nothing to say but it's OK

Good morning, good morning

Good morning ah

Going to work don't want to go feeling low down

Heading for home you start to roam then you're in town

Everybody knows there's nothing doing

Everything is closed it's like a ruin

Everyone you see is half asleep

And you're on your own you're in the street

After a while you start to smile now you feel cool

Then you decide to take a walk by the old school

Nothing is changed it's still the same

I've got nothing to say but it's OK

Good morning, good morning

Good morning ah

People running round it's five o'clock

Everywhere in town is getting dark

Everyone you see is full of life

It's time for tea and meet the wife

Somebody needs to know the time, glad that I'm here

Watching the skirts you start to flirt now you're in gear

Go to a show you hope she goes

I've got nothing to say but it's OK

Good morning, good morning, good

Good morning, good morning, good

Good morning, good morning, good

Good morning, good morning, good  
Good morning, good morning, good  
Good morning, good morning, good  
Good morning, good morning, good  
Good morning, good morning, good  
Good morning, good morning, good  
Good morning, good morning, good
