(Lennon/McCartney)

I was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe I could see another kind of  
mind there

Ooh, then I suddenly see you  
Ooh, did I tell you I need you  
Every single day of my life

You didn't run, you didn't lie  
You knew I wanted just to hold you  
And had you gone you knew in time we'd meet again  
For I had told you

Ooh, you were meant to be near me  
Ooh, and I want you hear me  
Say we'll be together every day

Got to get you into my life

What can I do, what can I be  
When I'm with you I want to stay there  
If I'm true I'll never leave  
And if I do I know the way there

Ooh, then I suddenly see you  
Ooh, did I tell you I need you  
Every single day of my life

Got to get you into my life  
Got to get you into my life

I was alone, I took a ride  
I didn't know what I would find there  
Another road where maybe I could see another kind of  
mind there

Then suddenly I see you  
Did I tell you I need you  
Every single day?
