Hello, little girl.  
Hello, little girl.  
Hello, little girl.

When I see you every day,  
I say, mmm-mmm, hello, little girl.  
When you're passing on your way,  
I say, mmm-mmm, hello, little girl.  
When I see you passing by,  
I cry, mmm-mmm, hello, little girl.  
When I try to catch your eye,  
I cry, mmm-mmm, hello, little girl.

I send you flowers,  
But you don't care.  
You never seem to  
See me standin' there.  
I often wonder  
What you're thinkin' of.  
I hope it's me  
And love, love, love.  
So I hope there'll come a day when  
You say, mmm-mmm, you're my little girl.

It's not the first time,  
That it's happened to me.  
It's been a long, lonely time  
And it's so funny,  
So funny to see  
That I'm about to loose  
My mind, mind, mind.  
So I hope there'll come a day when  
You say, mmm-mmm, you're my little girl.

Mmm-mmm, you're my little girl.  
Mmm-hmm, you're my little girl.  
Oh, yeah, you're my little girl.
