(Lennon/McCartney)

Sheepdog

Standing in the rain

Bullfrog

Doing it again

Some kind of happiness is measured out in miles

What makes you think you're something special when  
you smile?

Child-like

No one understands

Jack knife

In your sweaty hands

Some kind of innocence is measured out in years

You don't know what it's like to listen to your fears

You can talk to me

You can talk to me

You can talk to me, if you're lonely you can talk to me

Yeah hey, oh!

Ho, ho!

Yeah!

Ho, ho, ho, ho!

Ho, ho!

Big man (Yeah)

Walking in the park

Wigwam

Frightened of the dark

Some kind of solitude is measured out in you

You think you know me but you haven't got a clue

You can talk to me

You can talk to me

You can talk to me, if you're lonely you can talk to me

Hey!

Wahoo woof! Woof!

Hey bulldog! Hey bulldog!

Hey bulldog! Hey bulldog!

[Hey man, what's that noise?

Woof!

What d'you say?

I said woof!

D'you know anymore?

Wooaah ha ha ha!

You've got it, that's great! That's right! That's it, man,  
hoo!

Give it to me, man, hurry! I've got ten children, ho!

Ah ho! Ha ha ha ha ha ha!

Quiet boy, quiet!

OK.]

Hey bulldog!  
Hey bulldog!
