I don't want to spoil the party so I'll go  
I would hate my disappointment to show  
There's nothing for me here  
So I will disappear  
If she turns up while I'm gone,  
please let me know

I've had a drink or two and I don't care  
There's no fun in what I do if she's not there  
I wonder what went wrong  
I've waited far too long  
I think I'll take a walk and look for her

Though tonight she's made me sad  
I still love her  
If I find her I'll be glad  
I still love her

I don't want to spoil the party so I'll go  
I would hate my disappointment to show  
There's nothing for me here  
So I will disappear  
If she turns up while I'm gone,  
please let me know

Though tonight she's made me sad  
I still love her  
If I find her I'll be glad  
I still love her

I've had a drink or two and I don't care  
There's no fun in what I do if she's not there  
I wonder what went wrong  
I've waited far too long  
I think I'll take a walk and look for her
