Well I got a woman
way across town,
she's good to me,
ohoh yeah.
Say I got a woman
way across town,
she's good to me.
Oh yeah.

She gives me money
everytime I need, yes.
You know she's the kind
of friend indeed.
Say I got a woman
way across town,
she's good to me
oh yeah.

She says she loves me
early in the morning,
just for me.
Oh yeah.
She says she loves me
early in the morning
just for me,
oh yeah.

She says she loves me
just for me, yeah.
You know she loves me,
sometime I leave.
I got a woman
way across town,
she's good to me,
oh yeah. Auwww.

She says she loves me
all day and night
never grumbles or fusses,
she just treats me right.
Never running in the streets,

leaving me alone.
She's knows a woman's place
right back there hanging by the home.

Well I got a woman
way across town
she's good to me,
oh yeah.
Well I've got a woman,
way across town,
She's good to me,
oh yeah.

Well she's my baby
'cos she's understands
I'm her loving man.
I got a woman
way across town,
she's good to me
oh yeah.

Says she's all right,
says she's all right.
I got a woman
way across town,
she's good to me
oh yeah.
