I want to tell you
My head is filled with things to say
When your here
All those words
They seem to slip away

When I get near you
The games begin to drag me down
It's alright
I'll make you make me next time around

But if I seem to act unkind
It's only me
It's not my mind
That is confusing things

I want to tell you
I feel hung up
But I don't know why
I don't mind
I could wait forever
I've got time

Sometimes I wish I knew you well
Then I could speak my mind and tell you
Maybe you'd understand

I want to tell you
I feel hung up
But I don't know why
I don't mind
I could wait forever
I've got time
