The sun is fading away  
That's the end of the day  
As the June light turns to moonlight  
I'll be on my way

Just one kiss and I'll go  
Don't hide the tears that don't show  
As the June light turns to moonlight  
I'll be on my way

To where the winds don't blow  
And golden rivers flow  
This way will I go

They were right, I was wrong  
True love didn't last long  
As the June light turns to moonlight  
I'll be on my way

To where the winds don't blow  
And golden rivers flow  
This way will I go

They were right, I was wrong  
True love didn't last long  
As the June light turns to moonlight  
I'll be on my way

I'll be on my way, oh oh oh  
I'll be on my way, oh oh oh  
I'll be on my way
