I'm Talking About You

Let me tell you about a girl I know
There's the walking down so sweet
She's so fine you know I wish to be mine
I'm shok to every time to inside in me

I'm talking 'bout you
Nobody but you
common I mean with you
I'm just trying to get a message to you aaww!

Let me tell you about a girl I know
She's round here by my side
Lovely indeed, that's why I asked her if she'd
And I asker to be my bride

I'm talking 'bout you
Nobody but you
common I mean with you
I'm just trying to get a message to you aaww!

Let me tell you 'bout a girl I know
Let me tell you she looks so good
Lovely indeed, that's why she'd
Ought to be some way in Hollywood

I'm talking 'bout you
Nobody but you
common I mean with you
I'm just trying to get a message to you aaww! yeah!
