(Lennon/McCartney)

I get high when I see you go by

My oh my

When you sigh, my, my inside just flies

Butterflies

Why am I so shy when I'm beside you?

It's only love and that is all

Why should I feel the way I do?

It's only love, and that is all

But it's so hard loving you

Is it right that you and I should fight

Every night?

Just the sight of you makes nighttime bright

Very bright

Haven't I the right to make it up girl?

It's only love and that is all

Why should I feel the way I do?

It's only love, and that is all

But it's so hard loving you

Yes it's so hard loving you, loving you
