(Lennon/McCartney)

I've just seen a face
I can't forget the time or place
Where we just meet
She's just the girl for me
And want all the world to see
We've met, mmm-mmm-mmm-m'mmm-mmm

Had it been another day
I might have looked the other way
And I'd have never been aware
But as it is I'll dream of her
Tonight, di-di-di-di'n'di

Falling, yes I am falling
And she keeps calling
Me back again

I have never known
The like of this, I've been alone
And I have missed things
And kept out of sight
But other girls were never quite
Like this, da-da-n'da-da'n'da

Falling, yes I am falling
And she keeps calling
Me back again

Falling, yes I am falling
And she keeps calling
Me back again

I've just seen a face
I can't forget the time or place
Where we just meet
She's just the girl for me
And want all the world to see
We've met, mmm-mmm-mmm-da-da-da

Falling, yes I am falling

And she keeps calling
Me back again
Falling, yes I am falling
And she keeps calling
Me back again
Oh, falling, yes I am falling
And she keeps calling
Me back again
