Little child, little child

Little child, won't you dance with me?

I'm so sad and lonely

Baby take a chance with me

Little child, little child

Little child, won't you dance with me?

I'm so sad and lonely

Baby take a chance with me

If you want someone

To make you feel so fine

Then we'll have some fun

When you're mine, all mine

So come, come on, come on

Little child, little child

Little child, won't you dance with me?

I'm so sad and lonely

Baby take a chance with me

When you're by my side

You're the only one

Don't you run and hide

Just come on, come on

So come on, come on, come on

Little child, little child

Little child, won't you dance with me?

I'm so sad and lonely

Baby take a chance with me

Baby take a chance with me

Baby take a chance with me
