Martha my dear,
Though I spend my days in conversation, please
Remember me,
Martha my love
Don't forget me,
Martha my dear.

Hold your head up, you silly girl
Look what you've done.
When you find yourself in the thick of it,
Help yourself to a bit of what is all around you, silly girl.

Take a good look around you
Take a good look and you're bound to see
That you and me were meant to be
For each other, silly girl.

Hold your hand out, you silly girl.
See what you've done
When you find yourself in the thick of it,
Help yourself to bit of what is all around you, silly girl.

Martha my dear, you have always been my inspiration,
please
Be good to me, Martha my love
Don't forget me, Martha my dear
