Bottle of Claret for you if I had realised...

Well, do it next time.

I forgot about it, George, I'm sorry.
Will you forgive me?

Yes.

Cheeky bitch

Number 9, number 9, number 9, number 9, number 9
Number 9, number 9, number 9, number 9, number 9
Number 9, number 9, number 9, number 9, number...

...then there's this Welsh Rarebit wearing some brown
underpants
...about the shortage of grain in hertfordshire

Everyone of them knew that as time went by they'd
get a little bit older and a litter slower but...

It's all the same thing, in this case manufactured by
someone who's always

/umpteem ...

Your father's giving it diddly-i-dee/district was
leaving...

Intended to die ... Ottoman

...long gone through...

I've got to say, irritably and...

...floors, hard enough to put on ... per day's MD in our
district

There was not really enough light to get down

And ultimately ... slumped down

Suddenly...

They may stop the funding...

Place your bets

The original

Afraid she'll die ...

Great colours for the season

Number 9, number 9

Who's to know?

Who was to know?

Number 9, number 9, number 9, number 9, number 9

Number 9, number 9, number 9, number 9, number 9

Number 9, number 9

I sustained nothing worse than ...

Also, for example

Whatever you're doing

A business deal falls through

I informed him on the third night, when fortune gives...

Right right right right right right riiiiggghhht riiiiggghhht

Number 9, number 9, number 9, number 9

Number 9, number 9, number 9, number 9

...I've missed all of that

It makes me a few days late

Compared with, like, wow!

And weird stuff like that...

...taking our sides sometimes

...floral bark

Rouge doctors have brought this specimen

I have nobody's short-cuts, aha...

9, number 9

...with the situation

They are standing still

The plan, the telegram...

Number 9, number...

A man without terrors from beard to false

As the headmaster reported to my son

He really can try, as they do, to find function...

Tell what he was saying, and his voice was low and
eyes were high

And his eyes were shut...

Alright!

It was on fire and his glasses were the same
This thing knows if it was tinted
But you know it isn't
To me it is...

Number 9, number 9, number 9, number 9, number 9
Number 9, number 9, number 9, number 9, number 9
Number 9

He hit a pole and we'd better go to see a surgeon to
price it ...
Riiiiggghht!!
Yellow underclothes
So, anyhow, we went to see the dentist instead
Who gave her a pair of teeth which wasn't any good at
all
So I said I'd marry, join the fucking navy and went to
sea

In my broken chair, my wings are broken and so is my
hair

I'm not in the mood for whirling

How? Dogs for dogging, hands for clapping
Birds for birding and fish for fishing
Them for themming and when for whimming

...only to find the night-watchman unaware of his
presence in the building

Number 9, number 9, number 9, number 9, number 9
Number 9

Industry allows financial imbalance

Thrusting it between his shoulder blades

The Watusi, the twist

Eldorado

Take this, brother, may it serve you well

Maybe it's nothing
What? What? Oh...

Maybe, even then, impervious in London

...could be difficult thing...
It's quick like rush for peace is because it's so much
Like being naked

It's alright, it's alright
It's alright, it's alright

It's alright, it's alright
It's alright, it's alright
It's alright

If, you became naked

Hold that line hold that line hold that line hold that line
hold that line hold that line
block that kick block that kick block that kick block that
kick
block that kick
