Beatles, The
"Take Good Care Of My Baby"

My tears are falling

'Cause you've taken her away

And though it really hurts me so

There's something that I got to say

Take good care of my baby

Please don't ever make her blue

Just tell her that you love her

Make sure you're thinking of her

In everything you say and do

Take good care of my baby

Now don't you ever make her cry

Just let your love surround her

Paint rainbows all around her

Don't let her see the cloudy sky

Once upon a time

That little girl was mine

If I had been true

I know she'd never been with you

So take good care of my baby

Be just as kind as you can be

And if you should discover

That you don't really love her

Just send my baby back home to me

Take good care of my baby

Be just as kind as you can be

And if you should discover

That you don't really love her

Just send my baby back home to me

Take good care of my baby

Take good care of my baby

Take good care of my baby
