If you leave me, baby

I don't know what I'll do

I guess I would die, sweetheart

If I don't get a kiss from you

Take out some insurance on me, baby

Take out some insurance on me, baby

Well, if you ever, ever say goodbye

I'm gonna go right home and die

Oh, if you want me, baby

You've gotta come to me

Mm, I'm just like a stump in a field

You just can't move me

Take out some insurance on me, baby

Ooh, some insurance on me, baby

Well, if you ever, ever say goodbye

I'm gonna go right home and die

Well, if you want me, baby

Mm, you've gotta come to me

I'm just like a stump in a field

You just can't move me

Take out some insurance on me, baby

Mm, some insurance on me, baby

Well, if you ever, ever say goodbye

I'm gonna go right home and die

Well, if you leave me, baby

I don't know what I'll do

I guess I would die, sweetheart

If I don't get a kiss from you

Take out some insurance on me, baby

Mm, some god damned insurance on me, baby

If you ever, ever say goodbye

I'm gonna go right home and die
