What would you think if I sang out of tune  
Would you stand up and walk out on me  
Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key

Oh, I get by with a little help from my friends  
Mm, I get high with a little help from my friends  
Mm, gonna try with a little help from my friends

What do I do when my love is away  
Does it worry you to be alone?  
How do I feel by the end of the day  
Are you sad because you're on your own

No, I get by with a little help from my friends  
Mm, I get high with a little help from my friends  
Mm, gonna try with a little help from my friends

Do you need anybody  
I need somebody to love  
Could it be anybody  
I want somebody to love

Would you believe in a love at first sight  
Yes, I'm certain that it happens all the time  
What do you see when you turn out the light  
I can't tell you but I know it's mine

Oh, I get by with a little help from my friends  
Mm, I get high with a little help from my friends  
Mm, gonna try with a little help from my friends

Do you need anybody  
I just need someone to love  
Could it be anybody  
I want somebody to love

Oh, I get by with a little help from my friends  
Mm, gonna try with a little help from my friends  
Mm, I get high with a little help from my friends  
Yes I get by with a little help from my friends

With a little help from my friends
