"You really gotta hold on me"

I don't like you but I love you
Seems that I'm always thinking of you
Oh oh oh you treat me badly, I love you madly
You've really got a hold on me

Baby I don't want you but I need you
Don't want to kiss you but I need to
Oh oh oh you do me wrong now, my love is strong now
You've really got a hold on me

Baby I love you and all I want you to do is just
Hold me, hold me, hold me, hold me

Tired of, tired of...

I want to leave you, don't want to stay here
Don't want to spend another day here
Oh oh oh I want to spit now, I just can't quit now
You've really got a hold on me

Baby I love you and all I want you to do is just
Hold me please, hold me squeeze, hold me, hold me

You've really got a hold on me
You've really got a hold on me
