Sun came up this morning  
Broke into my room  
I turned the tv on  
The sun was red  
I heard about the news  
That turned me upside down

It's hard when you see it  
There's torture and pain  
I still have this feeling  
There's something left to say

Life may be a big insanity  
But love will conquer hate to all eternity  
Don't you know  
We are strong  
Life may be a big insanity  
But there is more to life than reality  
Cause our hearts  
Make us strong  
Picking up the phone  
The pictures always change  
Children playin in the streets  
Talking to somebody  
I can only watch  
Til I get on my feet

Dark times and mean crimes  
They can't beat my dreams  
The eyes of a child tell me  
Something's left to say

Life may be a big insanity  
But love will conquer hate to all eternity  
Don't you know  
We are strong  
Life may be a big insanity  
But there is more to life than reality  
Cause our hearts make us strong
