People crowd together  
Why don't you take it  
Wait a little longer  
And see how they make it

Twinin' with time  
Why can't you see me  
Risk of eclipse  
If you can't forgive me

Return to zero  
Return to zero

The breakup of the world, don't cry  
We're gonna save our lives  
And time is on my side, don't cry  
I'm gonna realize the breakup of the world

Baby, please don't cry  
We can forgive, we're gonna try  
Baby, please don't cry  
I wanna live, I fear the breakup of the world  
Baby, please don't cry

World is torn and tattered  
Why can't you take it  
Hope a little longer  
And see how we'll make it

Swallow your pride  
Why can't you see me  
Risk of eclipse  
If you can't forgive me

Return to zero  
Return to zero

The breakup of the world, don't cry  
We're gonna save our lives  
And time is on my side, don't cry  
I'm gonna realize the breakup of the world

Baby, please don't cry  
We can forgive, we're gonna try  
Baby, please don't cry  
I wanna live, I fear the breakup of the world

Six, five, four, three, two, one

The breakup of the world, don't cry  
We're gonna save our lives  
And time is on my side, don't cry  
I'm gonna realize the breakup of the world

Baby, please don't cry  
We can forgive, we're gonna try  
Baby, please don't cry  
I wanna live, I fear the breakup of the world

Don't cry, don't cry  
I fear the breakup of the world  
Don't cry  
I fear the breakup of the world
