You are my everlasting

you are my everlasting love.

Hearts go astray
leaving hurt when they go

You went away just when I needed you so.
Finding your way
you'll come back
wanting me

I'm gonna stay
loving you endlessly.

Open up your eyes
then you'll realize

Here I stand with me everlasting love.
need you by my side
there's so need to hide

You'll never be denied
everlasting love!
From the very start
open up your heart

Be a lasting part of everlasting love.

You are my everlasting

you are my everlasting love.

Look in my eyes
see my love burning strong

No more good-byes
in your arms I belong.
Our time has come
all my dreams have come true
Two hearts as one
loving me

loving you.

Open up your eyes
then you'll realize

Here I stand with me everlasting love.
need you by my side
there's so need to hide

You'll never be denied
everlasting love!
From the very start
open up your heart

Be a lasting part of everlasting love.

You are my everlasting.
You are my everlasting.
You are my everlasting.
You are my everlasting.

Open up your eyes
then you'll realize

Here I stand with me everlasting love.
need you by my side
there's so need to hide

You'll never be denied
everlasting love!
From the very start
open up your heart

Be a lasting part of everlasting love.
