Take a walk
On a Sunday mornin'
Have a talk
Be silent inside

Did you only want the shelter?
What is turnin' around your mind?

Loreen, Loreen
They are down on you
Could you ever find again
Just what you've been before?

Loreen, Loreen
You're so down and blue
It's gettin' better everyday
But you're about to lose your way

Take a walk
And I tail behind you
Arrange your thoughts
Look over your life

And I know what you're recitin'
What is turnin' around your mind

Loreen, Loreen
They are down on you
Could you ever find again
Just what you've been before?

Loreen, Loreen
You're so down and blue
It's gettin' better everyday
But you're about to lose your way

Loreen, Loreen
They are down on you
Could you ever find again
Just what you've been before?

Loreen, Loreen

You're so down and blue
It's gettin' better everyday
But you're about to lose your way
