I will try  
I will try not to lose my own

If you cry that secret down.  
Open up your eyes again  
even you can try

Don't you think you toil in vain

What have you come to be  
to be now?

Stop for a minute  
you better change your heart in time

Stop for a minute  
you can believe that part of mine.  
I'll be protecting you from what you run into

If you will hold on  
stop for a minute.

I rely  
I rely on my chance to know

you and I could feel as one!  
Open up and start again

take a look around

Don't you see what I have meant

What have you come to be  
to be now?

Stop for a minute  
you better change your heart in time

...

And what is left to you  
where are you goin' to?  
That sorrow in your life

what did you come to be

come to be now?

Stop for a minute  
you better change your heart in time

...

Stop for a minute  
for a minute  
stop for a minute

Stop for a minute  
stop for a minute  
stop for a minute
