Changes
Turning my pages
What's gone is gone
You gonna show the way
Changes
Over the edges
In all I seem to you
It's always been the same
Take the pieces of my heart
Watching all reange

You and I belong together
You and I too proud to lie
Don t know why it took so long
Till' we got this far
You and I could love forever
You and i
Don't know, we'll try
In the mirror of your eyes
I am not alone
You and i

Secrets
Tell me the story
I know you're way
I wannna hear it all

Secrets
Power and the glory
We're on the edge of life
I found this way before
Left the heavens for a part
Nothing else fade away

You and I belong together
You and I too proud to lie
Don t know why it took so long
Till' we got this far
You and I could love forever
You and i
Don't know, we'll try
In the mirror of your eyes

I am not alone
You and i
