5.Your Way To India

You and I

Here we are - strangers

You and I

Still tastes the tears of cry

The world keeps turning

Without you I'm like a soul without a mind

You keep on searching

For something you left behind

(Deep in my heart I feel for you

If *lovening* on what can I do?)-[M.Cretu]

On your way to India

You'll see the light

On your way to India

Your eternal life

On your way to India

You'll have me in mind

Now I find

I just need you like I never did before

You love me blind

And we can't talk anymore

(Here is my heart I feel for you

If *lovening* on what can I do?)-[M.Cretu]

On your way to India

You'll see the light

On your way to India

Your eternal life

(I'm like a soul without a mind)-[M.Cretu]

On your way to India

(My world keeps turnin')-[M.Cretu]

You'll have my in mind

(I ceep on searching all the time)-[M.Cretu]

It's gotta be over

(I miss you)-[M.Cretu]

On your way to India

On your way to India

(I need you so)-[M.Cretu]

You'll see the light

(I was a fool to leave you)-[M.Cretu]

On your way to India
(But I already had no choice)-[M.Cretu]
Your eternal life
(I'm like a soul without a mind)-[M.Cretu]
On your way to India
(My world keeps turnin')-[M.Cretu]
You'll have me in mind
(I keep on searching all the time)-[M.Cretu]
It's gotta be over
(I miss you)-[M.Cretu]
On your way to India
