Stop it!  
(Oh body, oh body... oh body)  
Stop it!  
(Oh body, oh body, oh body...)  
Stop it!  
Bring it on up, bring it on up

Got the feelin' I'm goin' insane  
Am I dreaming? Is it night or is it day?  
Such a sweet thing, makes me wanna say, yeah  
Get on up, bring up our music someday

Yeah  
Stop it, stop it  
Don't try and make me stop and go hide away  
(I just gotta have it, just wanna get closer to you)  
Stop it, stop it  
Don't try and make me stop and go hide away  
(I just gotta have it, just bring your body to me)  
Stop it, stop it  
Don't try and make me stop and go hide away  
(I just gotta have it, just wanna get closer to you)  
Stop it, stop it  
Don't try and make me stop and go hide away  
(I just gotta have it, just bring your body to me)

Stop it!  
Only you, yeah (stop it!) can make me do you, baby  
Anyway you want me to (stop it!)  
Only you (stop it!), can shake me, make me  
Cry like a baby!

Stop it, stop it  
Don't try and make me stop and go hide away  
(I just gotta have it, just wanna get closer to you)  
Stop it, stop it  
Don't try and make me stop and go hide away  
(I just gotta have it, just bring your body to me)  
Stop it, stop it  
Don't try and make me stop and go hide away  
(I just gotta have it, just wanna get closer to you)

Stop it, stop it  
Don't try and make me stop and go hide away  
(I just gotta have it, just bring your body to me) Baby!
