If i am bound to fall on the floor
I will fall for sure
To the sounds of bewilder
I am bound to fall

Is it just all, all about timing
Turn on the physical switch
And pretend to be in love
Theres bad news coming, theres bad news coming
around
When you walked across the shore
Your footsteps found
All those land mines in awkward placement
I'd hoped youd step around
But you found
and now I'm out

All those land mines found
Land mines found
Waves of sound
Crashing down
Are you feeling brand new now?
Cuz you're breaking, breaking down

Waves of sound
Crashing down
Are you feeling brand new now?
Cuz you're breaking down
