Space calling earth again  
Say what  
Houston this is the end  
We're lost  
Tick tick tack  
Time's up  
Station is shutting down  
Bad luck

Barberella meets godzilla  
Since you invited both, cling to your pantyhose...

I want to Thank you much  
Thank you very Much  
Thank you very much  
I wanna say I'm sorry but I'm really not  
Guess I've had enough  
I'm feeling Dangerous  
I wanna say I care, but I'm gonna say

Fresh out of gratitude  
It's gone  
You suck, like your attitude  
I won  
Flake, flakey flakey flake  
So sad  
I am stirred, but I will not shake  
It's rad

Barbarella she's a killer  
Run to your nanny go, cling to your pantyhose

I want to Thank you much  
Thank you very Much  
Thank you very much  
I wanna say I'm sorry but I'm really not  
I guess I've had enough  
I'm feeling Dangerous  
I wanna say I care, but I'm gonna say

Âbout this thrilla' in Manilla'

What goes around my friend, bites you right at the end
