Women want care and attention
Men want the easy life
Everybody wants the thrill of the new
I don't want to be your wife
Men want it to be nasty
So ladies leave it off the knife

And you think she's just another church gal

[Chorus]

Want a little action
Should i give the dog a bone
To ensure satisfaction
Don't go home alone
We can get a little funky
I'll put that leash around your neck
You can be my donkey
I'll keep that ass in check

Feed this crazy addiction
Wipe the sweat off my brow
All day, every day on my mind
Baby how you like me now
If you don't tell any other
I'll milk you like a cow

Your should see the bone yard in her closet

[Chorus]

Do me with the lights on
Or turn them off until you trip
Do me a
