Broken hearted feelin' so alone
Emptiness in a world that is so cold
Blinded by you're touch
I miss you so much much (ooh)

Feelin' so betrayed
You pushed me away
Why did you go and leave me all alone
I woke up one day and you was gone gone (ooh)

I'm crying out for you
To heal my empty heart
Come and rescue me
Save me from myself
Come and heal my pain
Catch me I'm fallin' fallin' fallin'

I'm crying out for you
To heal my empty heart
Come and rescue me
Save me from myself
Come and heal my pain
Catch me I'm fallin' fallin' fallin'

Is this all just a dream
How could you do this to me
I gave up everything for you
Yes it's true

Was this all just a game
Will you play with my heart
If you really care
Would you tear it apart
I just need to know, need to know
What I have to do, what I have to do
Cause I still want you

Broken hearted, feelin' so alone
Emptiness in a world that is so cold
Blinded by you're touch
I miss you so much (ooh)

No matter how
But I try to let you go
My heart keeps tellin' me to be strong
You gotta hold on me
And I can't let you go

I'm crying out for you
To heal my empty heart
Come and rescue me
Save me from myself
Come and heal my pain
Catch me I'm fallin' fallin' fallin'

I'm crying out for you
To heal my empty heart
Come and rescue me
Save me from myself
Come and heal my pain
Catch me I'm fallin' I'm fallin' fallin' fallin'
