please give me patience to learn
please give me bridges to burn
don't ask a thing in return
my courage is gone

don't put you're weight on me now
I'm trying to stand strong
but I've lost it somehow
the eagerness to get around
my courage is gone

Lord there must be a way
to get through this day

If you give me wings
than I know I could fly
If you give me truth
then I swear I won't tell you no lies
I'll cruise through the blue of you're sky
I will be free

my vision has been compromised
awaring of these crying eyes
I'm praying for some peace of mind
my courage is gone
you said that there would be a way
to get through this day

If you give me wings
than I know I could fly
If you give me truth
than I swear I won't tell you no lies
I'll cruise through the blue of you're sky
I will be free

I'll be hiding no more
from your love like before
I'll be bold I'll be brave
I'll be strong I'll be safe
If you show me the way

If you give me wings
than I know I could fly
If you give me truth
than I swear I won't tell you no lies (2x)
I'll cruise to the blue of you're sky
I will be free

I will finally be free
