Got myself on the dance floor
No one can beat me up, no
What if I show up from nowhere
And give what I have got through the moves (woaahh)

I'mma take the beat tonight
I'mma take the beat tonight
I don't care, just hold on tight
It's gonna be a white night
I'mma take the beat tonight
I'mma take the beat tonight
Beat it up till' it will stop
It's gonna be a white night
I'mma take the beat tonight
I'mma take the beat tonight
No, no, no, just hold on tight
It's gonna be a white night
I'mma go away with ya
I'mma go away with ya
No, no, no, just hold on tight
It's gonna be a good time

Stuck here for ever
No, no, no, it gets better
Don't you worry it's fine
I'mma gonna save ya right now

I'mma take the beat tonight
I'mma take the beat tonight
I don't care, just hold on tight
It's gonna be a white night
I'mma take the beat tonight
I'mma take the beat tonight
Beat it up till' it will stop
It's gonna be a white night
I'mma take the beat tonight
I'mma take the beat tonight
No, no, no, just hold on tight
It's gonna be a white night
I'mma go away with ya
I'mma go away with ya

No, no, no, just hold on tight
It's gonna be a good time

I-I'mma take the beat tonight
I'mma take the beat tonight
Woah-woah-woa-ah-oh
It's gonna be a white night
I'mma get it right this time
I'mma get it right this time
Woahh-woah It'll be alright
We're gonna have a good time
I'mma show you what I got
I'mma show you what I got
Shut up and get your facts right
I'm gonna rock the stage yeah
I'mma show you what I got
I'mma show you what I got
Don't worry, just hold on tight
It's gonna be alright
Tonight!
