[Intro]

smoking

Yo, yo man

Yo, yo I got a message for all y'all motherfuckers mad at shit

Cause now I'm mad at shit

Got a nigga smokin' a whole motherfucken' dope sack of some doja

Y'all know what I mean?

Shit man, motherfuckin' shit man, this some bomb ass weed

Yo check it -

Fuck all y'all fake ass, mad 'cause nobody don't love y'all

Secretly dingy ass, 500,000 sold ass, bitch ass, funny style ass

Goofy, dusty, dirty, punk ass motherfuckers

Gangster nigga!...

To all the homies...

No bitch-ass niggaz allowed, no bitches allowed

Kurupt Young Gotti, check it out

[Kurupt]

Gangsta, gangsta, I'm a G from the D

That's what the riders see

I'm a get a quarter-mil, quarter-inch of a deal

Come through - grey and blue

I'ma show you what I do, Where I hang and shit

Dogg Pound Gangstaville in the cut, nigga what

I'm a slip through, if you trip, I'ma trip too

Get a bitch to strip 'til the homies dip through

Got my nigga Slip too (what up Slip?)

And I got a whole eighth of weed

And that's all we need - 'til we hit the next spot

Cause when I flew in, I knew it was 'bout to be a G'd up reunion

Ain't no words to express this song

Cause one day you're here and the next you're gone

This goes out to the homies

And this is straight from the heart and true
And This One's for U

[Chorus]
This One's for U, yeah
This One's for U, ooh
This One's for U, oooh woaaa
This One's for U

[Kurupt]
Hollered at one of the homies the other day
He said someone approached and then he looked the
other way
He turned back and drawed, and all he saw -
Was a vision of himself, he choked and he awoke
And I just paused to laugh, that's some familiar shit
Cause the other day I dreamt up some similar shit
So I tell him I love you and stay safe
Then I skates to a whole different hood where different
shit takes place
I've been G, since the age of 18
When I first ran into heaters, nine-millimeters
Get the cash as one, all the homies mash as one
Toke the bong and smoke these, a hundred spokes
Holler at the big homeboy C-Style (what up C-Style!?)
I ain't seen him in a while - so I pops the stash
And pull out the orange blueberry shroomz and hash
I don't think niggaz could last
Cause ain't nothin' fuckin' with Kurupt and Daz

[Chorus]
This One's for U, ooooooh
This One's for U
This One's for U, oooh woaaa
This One's for U, yeah

[Kurupt]
I feel a "woo" comin' on cuh, I feel a "woo" comin' on
cuh - WOO! WOO!
I feel a "woo" comin' on cuh, I feel a "woo" comin' on
cuh - WOO! WOO!
There I was - when I talk about history, or psychology,
or biology (what?)
We'll talk about D.P.-ology, geology, a G's anology
G's in rare form, C's in rare form
I gots vision, ammunition loaded, prepare storm
Stack up the Cutlass like bustas
Heaters cocked back for all you motherfuckers that's
tryin' to touch us
I got licks to hit, put that ass on crutches
(I'ma) conceal the glock, pancakes stop and drop

Blown, hold up, what's goin' on?
My main compose within' a whole different zone
Hoppin' in 'fours, slammin' Cadillac doors, with a gang
of hoes
Could we pull hoes nigga, pro's nigga
Banged out, this is for the niggaz that bang (who that?)
Kurupt's the name, nigga you know the game
Snoop Dogg's the name, nigga you know the gang
Dat Nigga Daz the name, you know exactly what we
claimin'
Heaters cocked back, get scorched just like flames
Dope in the wind, indo and Henn
Tha Gang nigga

[Chorus]

This One's for U, heyayyay
This One's for U, ooh
This One's for U, oooh woaaa
This One's for U
This One's for U, yeaah
This One's for U, ooh
This One's for U, oooh woaaa
This One's for U, oooh yeaah
