I've seen this place a thousand times,  
I've felt this all before  
And every time you call,  
I've waited there as though you might not call at all.

I know this face I'm wearing now  
I've seen this in my eyes  
And though it feels so great I'm still afraid  
That you'll be leaving anytime

We've done this once and then you closed the door,  
Don't let me fall again for nothing more

Don't say you love me unless forever,  
Don't tell me you need me if you're not gonna stay,  
Don't give me this feeling I'll only believe it,  
Make it real or take it all away

I've caught myself smiling alone,  
Just thinking of your voice,  
And dreaming of your touch it's all too much,  
You know I don't have any choice
