Mama told me to be  
Careful of what you see  
Don't pick fruit from the tree  
Too easily  
Papa told me to find  
Some Kind of peace of mind  
Don't go chasing time  
Too eagerly  
Don't say that you love me  
If you're not standing true  
Don't say that you need me  
Just because you think it's the right thing to do  
That's not why I wanna be with you  
My friends told me to play  
But don't let things go astray  
And when you're in the fast lane  
Keep driving straight  
I don't mind taking a change  
And start making new plans  
But I gotta know you're the man  
To change my day  
Chorus  
People come and they go  
But there's one thing I know  
If you've got love let it show  
Don't hide it.  
Chorus
