I need to know
That I am in your world
That I am in your world baby
And I gotta know
That I am in your heart
No matter where you are
Wherever you go, oh baby
I hear you saying that you love me
I feel you touch me in the night
But that don't mean
That I mean something in your life baby

[Chorus:]
Whenever you close your eyes
I want it to be my face that you see
When you go to sleep at night
Whenever you dream
I wanna know you're dreaming of me

So hard to know
Wish I could read your mind
Wish I could read your mind
And see in your heart
Am I there
The way you're there with me
You're everywhere with me
Wherever I go, oh baby
Before I give my world completely
And lay my heart down on the line
I need to know it's me
You're needing in your life

(Chorus)

I hear you saying that you love me
I feel you touch me in the night
But that don't mean
That I mean something in your life baby

(Chorus)
